ABOUT COMPANY

NV Paper & Boards LLP is a trusted supplier of high-quality paper, paperboard, and waste paper, serving industries worldwide. Founded in August 2024 under the leadership of Vishal Vishnoi, a veteran with 30 years of experience in the paper industry, our company is built on expertise, reliability, and a commitment to excellence.

With strong connections to all major paper mills in India and beyond, we provide tailored solutions for printing, packaging, publishing, and industrial applications. Our extensive product range and seamless supply chain ensure that clients receive the right paper solutions, on time, every time.

At NV Paper & Boards LLP, we are more than just paper suppliers—we are your partners in growth and sustainability.

WELCOME MESSAGE

It is my pleasure to welcome you to NV Paper & Boards LLP. With over 30 years of experience in the paper industry, I have witnessed its evolution and the growing need for quality, sustainability, and reliability in paper supply. At NV Paper, we are committed to meeting these demands by providing high-quality paper, paperboard, and waste paper solutions to businesses worldwide.

Our strength lies in our strong industry connections, our ability to source the best paper grades, and our unwavering focus on customer satisfaction. Whether you need paper for packaging, printing, publishing, or industrial applications, we ensure that every requirement is met with efficiency, consistency, and excellence.

We look forward to building long-term partnerships and contributing to your success. Thank you for choosing NV Paper & Boards LLP as your trusted paper supplier.

Best Regards,
Vishal Vishnoi
Managing Director
NV Paper & Boards LLP

OUR VISION & MISSION

Vision

At NV Paper & Boards LLP, our vision is to be a global leader in the paper industry by delivering high-quality, sustainable, and innovative paper solutions. We aim to set new benchmarks in quality, reliability, and customer satisfaction, ensuring that businesses across industries—printing, packaging, publishing, and beyond—can depend on us for their paper needs. Through strong partnerships, cutting-edge solutions, and a commitment to sustainability, we strive to create a lasting impact in the world of paper.

Mission

- **Delivering Excellence:** We are committed to providing premium-quality paper, paperboard, and waste paper solutions that meet the diverse needs of our clients. Whether for packaging, printing, or industrial use, we ensure that every product meets the highest industry standards.
- **Building Strong Partnerships:** We believe in fostering long-term, trust-based relationships with our clients and suppliers. By leveraging our extensive network with all major paper mills in India and globally, we ensure a seamless supply chain and competitive pricing.
- **Promoting Sustainability:** As a responsible paper supplier, we actively promote eco-friendly and sustainable paper solutions. We support responsible sourcing, encourage the use of recycled paper, and align with global sustainability goals to reduce environmental impact.

MG WHITE POSTER

Normal MG Poster Paper:
GSM Range: 18 – 90 GSM

Bright white machine glazed paper offering superior smoothness and shine. Widely used in FMCG packaging, labeling, and lamination applications.

Super Glazed Poster Paper:
GSM Range: 38 – 60 GSM

Ultra-smooth, double-side super glazed paper with enhanced gloss and brightness. Ideal for high-end poster printing, labels, and specialty packaging.

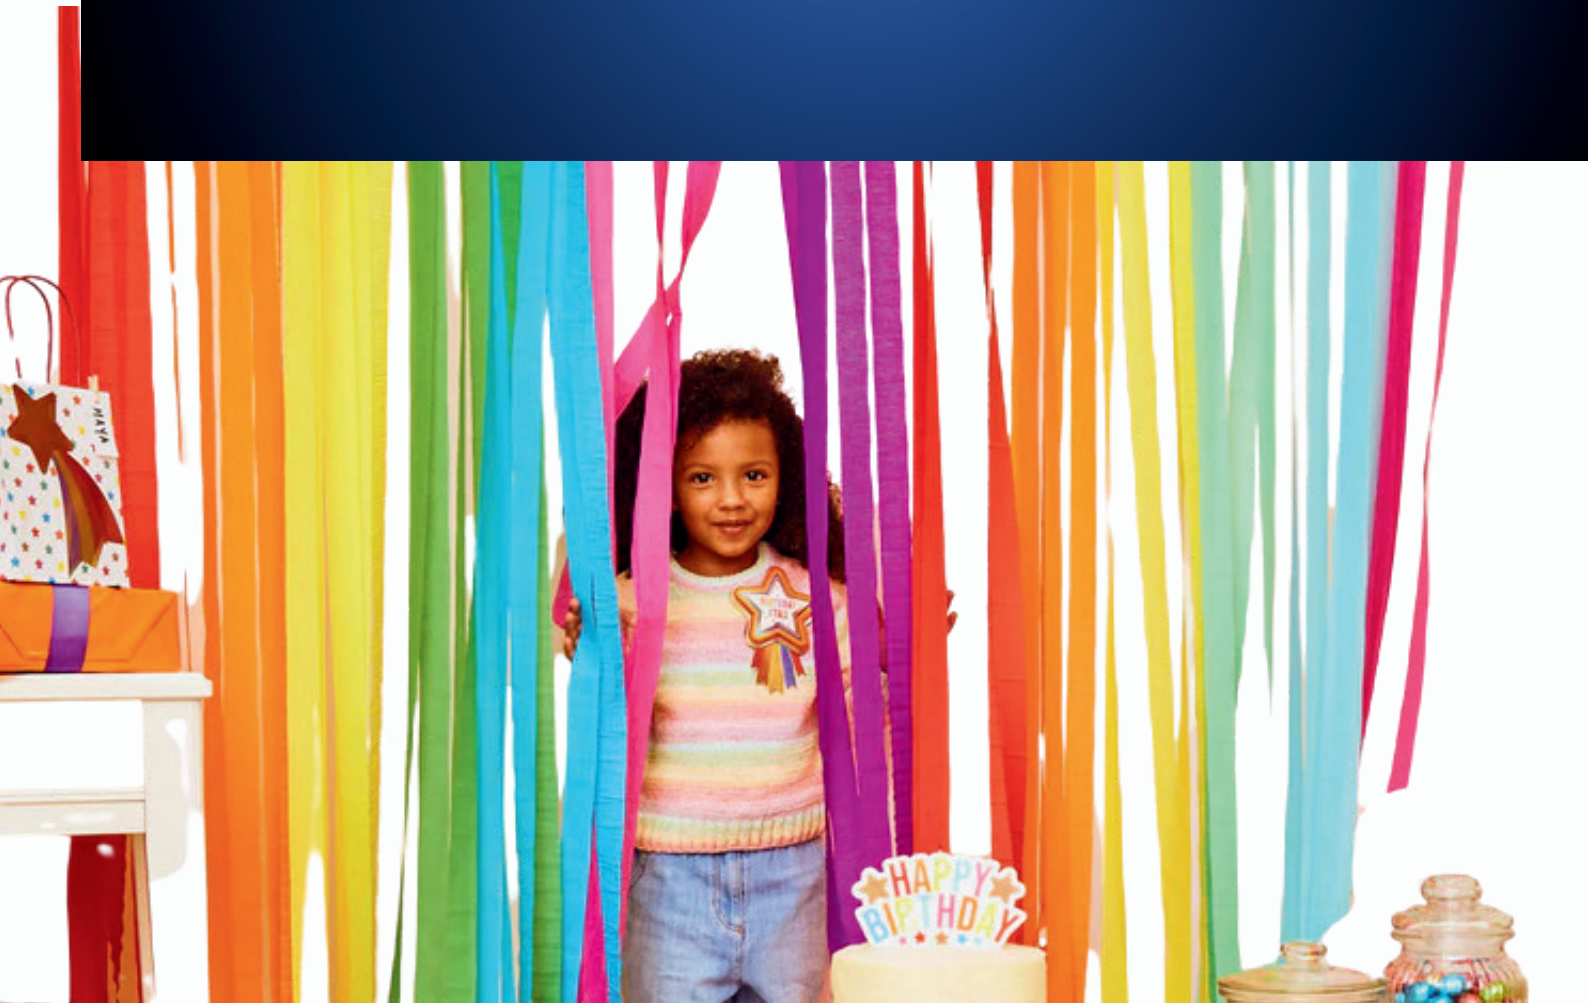

MG COLOUR POSTER

GSM Range: 18 – 90 GSM

High-quality machine glazed coloured poster paper, ideal for vibrant printing and eye-catching packaging. Available in a wide range of attractive shades.

WOOD FREE PAPER

- Recycled Fiber

GSM Range: 44 – 90 GSM

Brightness: 65 – 90%

Eco-friendly and cost-effective paper Ideal for books, notebooks, and general printing.

- 2. Agro Fiber

GSM Range: 54 – 90 GSM

Brightness: 86 – 90%

Derived from agricultural waste, Great for publishing and commercial printing.

- 3. Virgin Fiber

GSM Range: 57 – 90 GSM

Brightness: 90 – 94%

Made from pure pulp for premium quality and print clarity. Preferred for high-end printing and professional documents.

NEWSPRINT

Recycled Fiber

- GSM Range: 42 – 50 GSM
- Brightness: 50 – 65%
- Designed for newsprint and newspaper printing applications.

Virgin Fiber

- GSM Range: 42 – 50 GSM
- Brightness: 58 – 60%
- Designed for newsprint and newspaper printing applications.

DUPLEX BOARD

- GSM Range: 230 – 500 GSM
- Varieties:
 - LWC (Low Weight Coated)
 - HWC (High Weight Coated)
- Back Options:
 - White Back
 - Grey Back
- Sturdy, smooth, and printable boards for packaging applications across industries. Available in multiple grades and finishes to suit your needs.

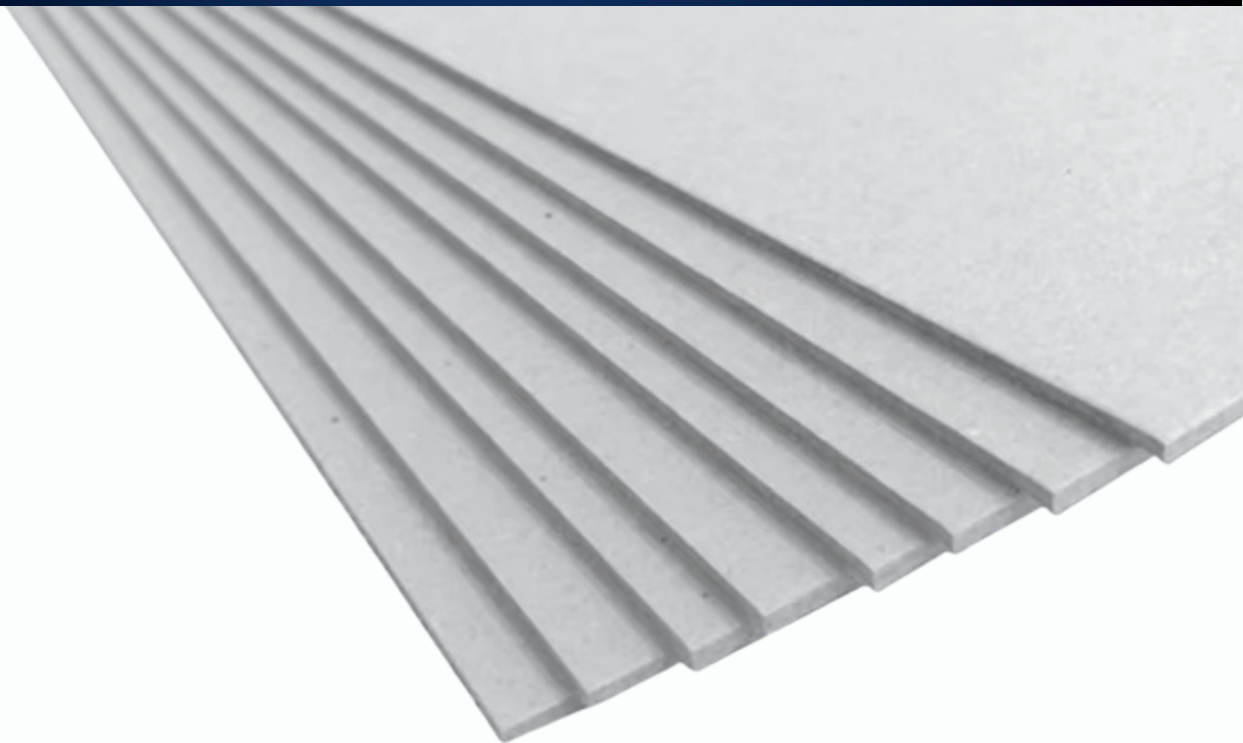

KAPA BOARD

- GSM Range: 630 to 1890
- Thickness: 1.0 mm to 3.0 mm

Back Options:

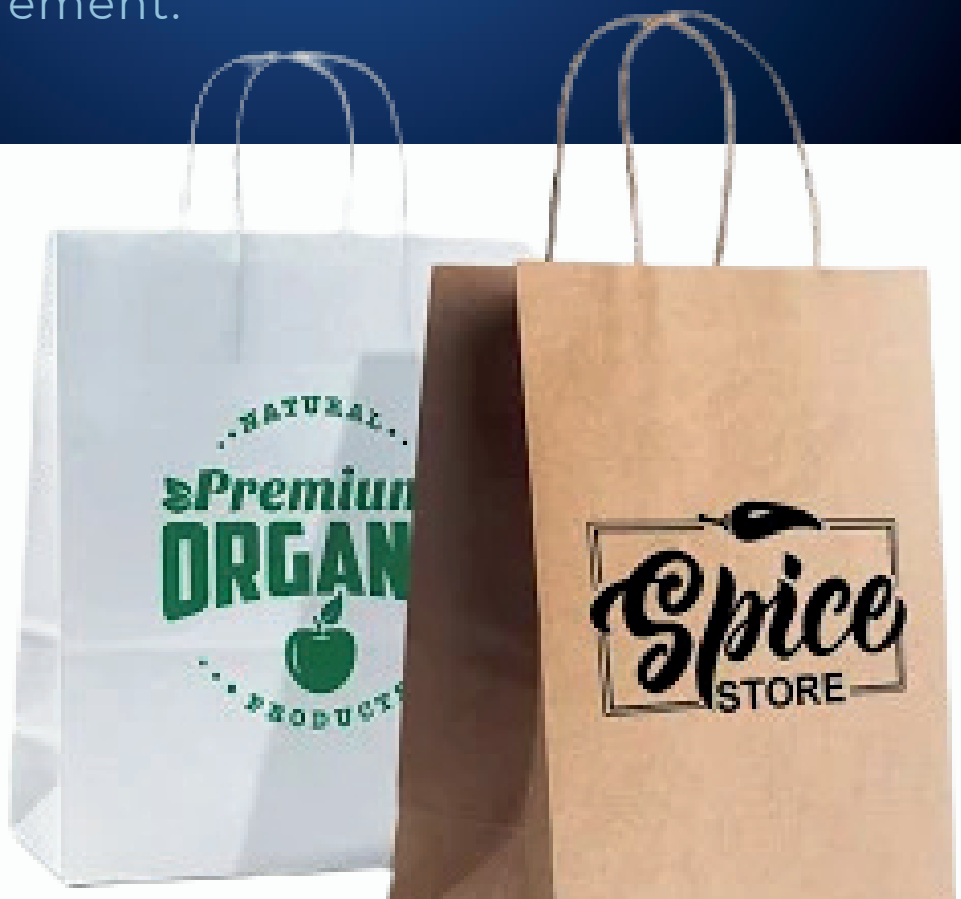

- Grey Back (Standard)
- Colour Kappa
- Extremely rigid, durable, and high-density board used for luxury packaging, book covers, rigid boxes, files, display panels, and industrial applications. Provides excellent stiffness, compression strength, and smooth surface suitable for lamination, pasting, and die-cutting.

PAPER BAGS
